

BILLY DEAN

The James Taylor of Country Music

Singer, Songwriter, Storyteller

An experience you'll want to have again and again

Billy Dean is an American Troubadour who has mastered the art of singing, songwriting, and storytelling. His unique ability to morph into the characters in his songs while performing LIVE, brings the storyline to life with musical drama. Billy's finger style acoustic guitar playing is reminiscent of James Taylor, and is percussive in nature. "I've never heard so much music coming from one man and one guitar. He's the best I've ever seen", says award winning producer/songwriter Monty Powell. No matter what venue he performs

in, large or small, with his band or just solo, Billy's charismatic charm and approachable personality puts you, the listener, in an intimate living room setting, where he touches every emotional nerve, leaving you musically nourished with a renewed Spirit.

Although Billy's best known in the Country Music genre for his 11 top ten singles, 5 number one's and over 5 million albums sold, his musical roots are entangled with Folk, Southern Rock, Bluegrass and Classic Country. Billy says his musical influences are ongoing, but his

sound will forever have the finger prints of those troubadour's who came before him like James Taylor, Dan Fogelberg, John Denver, The Eagles, Christopher Cross, David Gates and Bread, Willie Nelson, Merle Haggard, and Don Williams. Billy Dean has been nominated by every major music award entity. Most recently he was inducted into the Florida Hall Of Fame for artist.
