## Celebrating 40 Years as Luke Duke on

# THE DUKES OF HAZZARD

**F**rom Top 40 singles on Country radio to being a two-time Tony Award nominee for his performances on Broadway, **TOM WOPAT** is bringing a "Good Ole Boy" time across stages in North America!! At first glance, that could be viewed as a surprisingly diverse program of material from a performer who may be best known for his starring role in the '80s hit television series *The Dukes of Hazzard*. But his versatility was there from the beginning, and on full display in a career reaching from his television work of the '70s and '80s to high visibility Broadway roles in 1999's *Annie Get Your Gun* and 2008's *Catered Affair* (he received Tony Award nominations for both), as well as *Chicago*, *Forty-Second St.*, *Sondheim on Sondheim* and more.

***"A category-defying performer!"***

– Rex Reed / The New York Observer

***"Hipster-cool... leading-man charisma!"***

– Tom Alvarez / Examiner.com
